

The Impact of Motorsports in Pennsylvania Fan Survey

The Motorsports Council of Pennsylvania (MCP) is conducting an economic impact analysis of the motorsports industry in Pennsylvania in an effort to clearly demonstrate the importance of this industry. Information gathered for this survey is an essential part of this work. All information from survey participants will be kept strictly confidential, will not be released or published in any way, and will be destroyed at the completion of the study. This work is being done in partnership with Washington & Jefferson College (W&J) faculty members Robert Dunn and Leslie Dunn. Rob and Leslie are Economics Professors at W&J and are providing their professional expertise in assisting us with the survey.

Completed surveys should be returned directly to Robert and Leslie Dunn at: rdunn@washjeff.edu

Or mailed to them at the address below.
